

## CONDOLENCE

- The members of the Indian Society of Agricultural Statistics deeply mourn the sad and sudden demise of Dr. K. Kishen, a life member and Patron of the Society, on January 20, 2001 in New Delhi.

He was the member of the Society from its very inception. He served the Society in various capacities such as Vice President from 1979 to 1996, Patron from 1997 till his death. He took keen interest in the activities of the Society. He worked in close association with Late Prof. P.V. Sukhatme and Late Dr. V.G. Panse and retired from the post of Director, Agricultural Statistics, Government of Uttar Pradesh. He was a member of the Editorial Board of the Journal of the Society and Sessional President in the 35<sup>th</sup> Annual Conference of the Society and delivered the Technical Address on EXPERIMENTAL DESIGN IN AGRICULTURAL AND ANIMAL HUSBANDRY RESEARCH IN INDIA. This Technical Address was published in the Journal of the Society, Volume 34, No 1, April, 1982. His paper entitled MATHEMATICAL THEORY OF CONFOUNDING IN ASYMMETRICAL AND SYMMETRICAL FACTORIAL DESIGN published in the Journal of the Society, Volume 10, 1958 was adjudged the best paper in the field of Design of Experiments. Dr. Kishen was honoured by the Society with the title of SANKHYIKI BHUSHAN during the 43<sup>rd</sup> Annual Conference at Haryana Agricultural University, Hisar in December, 1989.

In the death of Dr. K. Kishen, the scientific community in general, and the Indian Society of Agricultural Statistics in particular, have lost a dedicated, renowned statistician as well as a well wisher of the Society.

The members of the Indian Society of Agricultural Statistics convey their heartfelt sympathies and condolence to the members of bereaved family and pray to the Almighty to give eternal peace to the departed soul and enough strength to the bereaved family to bear this irreparable loss.

- The members of the Indian Society of Agricultural Statistics deeply mourn the sad and sudden demise of Dr. T.V. Hanurav, a life member of the Society on July 09, 2001 at Hyderabad.

He served as an active member of the Editorial Board of the Journal of the Society. He was Sessional President of the 49<sup>th</sup> Annual Conference of the Society which was held at Directorate of Agriculture, Government of Uttar Pradesh, Lucknow in February, 1996. He delivered a thoughtful and informative Technical Address on THE APPLIED STATISTICIAN. He took keen interest in the activities of the Society. He served the Indian Statistical Institute, in various capacities and retired from the Institute and settled at Hyderabad.

In the death of Dr. Hanurav, the scientific community in general, and the Indian Society of Agricultural Statistics in particular, have lost a dedicated, renowned statistician as well as a well wisher of the Society.

The members of the Indian Society of Agricultural Statistics convey their heartfelt sympathies and condolence to the members of bereaved family and pray to the Almighty to give eternal peace to the departed soul and enough strength to the bereaved family to bear this irreparable loss.
