CENTRE FOR SCIENCE WRITING

The Centre for Science Writing encourages scientists to write in the broad area of agricultural sciences. The proposed manuscript may take the form of a book, monograph, bulletin or a review which would promote the growth of agriculture. The authors are free to publish their work with recognized publishers of science books or journals. The Centre provides technical and financial support for creative writing of this kind. Prospective authors may contact the Centre Director.

Dr. H.K. JAIN

Director, Centre for Science Writing
