

ISAS YOUNG SCIENTIST AWARD**Rules and Regulations**

In order to provide encouragement and incentives to the young scientists in the field of Agricultural Statistics, the Society has instituted an award which is given during the Annual Conference of the Society. The rules and regulations for the award are as follows:

1. Only members of the Society (ISAS) including student members are eligible for consideration for the award.
2. The upper age limit of the scientist for the award is 35 years as on 30 September of the year of the Conference.
3. The papers to be considered for award, shall have to be under single authorship.
4. The work must have been carried out in India and it should be an original contribution.
5. Five copies of the full paper along with its abstract not exceeding 200 words should reach the Secretary of the Society not later than 30 September, preceding the Conference. Bio-data, including full name and address along with the date of birth (duly attested copy of certificate), research experience, list of publications should be appended to the complete paper.
6. Stress will be given on both quality of research and presentation.
7. The Council will nominate a panel of judges who will grade and select the best three research papers. No paper will be selected if it gets less than 2A's.
8. The authors of these three papers will be invited to present their papers in a special session during the Conference. The merit will be judged by the Sessional President assisted preferably by the above committee. Their decision will be final. (These authors may be given financial assistance, if required).
9. Only one candidate will be chosen for the award.
10. The name of awardee will be announced by the Secretary of the Society at the meeting of the General Body.
11. A certificate of merit and award in a suitable form (worth about Rs. 1000/-) will be given to the recipient with citation.
12. The Society reserves the right to publish the awarded paper in its Journal.
